

## **New ownership of NHG Trans Logistics AS, Moss, Norway**

As of July 10<sup>th</sup> 2007, Logistikk Compagniet Holding AS has acquired 100 percent of NHG Trans Logistics AS, from Garnaas Holding AS b/ Nils Henrik Garnaas.

Through the acquisition of NHG Trans Logistics AS, Logistikk Compagniet aims to increase its product and service portfolio to existing and new customers.

NHG Trans Logistics AS will continue to offer total transport- and forwarding services of a high quality, safety and a great deal of flexibility. Through our partnership with Logistikk Compagniet, we will offer a wider range of products and services with an increased capacity.

The headquarter for Logistikk Compagniet is located in Oslo, Norway. It has 4 different departments/warehouses in the Oslo region (Sandvika, Karihaugen, Lørenskog and Skytta) – with approx. 17000m<sup>2</sup> available warehouse capacity. The company profile is to customize logistic and transport solutions for small and medium sized customers. Further information is available on: [www.lcno.no](http://www.lcno.no).

We are looking forward to continuing our well established cooperation.

Best regards,

NHG Trans Logistics AS
