

# Health & Safety policy

At ColliCare Logistics we deliver logistic services to meet and exceed customer requirements and expectations. We commit to the quality and safety of our operations and the health of our employees.

## Safe place to work

---

ColliCare Logistics is committed to providing a healthy and safe working environment. We follow national health and safety laws and apply our own internal quality standards.

## Safety of service

---

Protecting our people and safeguarding the integrity of our service is essential in our business/line of work.

The products we transport are to be transported in a safe way, according to the appropriate legislation

The aim to increase the safety of operations by positively influencing the behaviour of the persons involved, through a process of observation, coaching and communication.

## Quality of service

---

The employees of ColliCare Logistics are essential to delivering and sustaining quality of service.

As a team we work to meet customer needs.

We commit to continuously improve the way we work. Our performance is monitored and regularly reviewed to ensure our health, safety and quality standards are met.
