## QA Policy ColliCare Logistics Group

---

The ColliCare Logistics Group Quality Assurance Policy (QA Policy) is valid for all countries and subsidiaries. The QA Policy is based on ISO 9001:2015 standard, the company group mission, vision, strategies and our core values.

We will consistently provide products and services that meet or exceed the requirements and expectations of our customers. To ensure that we meet customer expectations, we will actively pursue continuously improving our quality through programs, trainings and deviation management.

We focus on ethical, environmental and social factors by maintaining a culture of high standards.

ColliCare Logistics Group vision is to enhance our customers competitiveness through innovative and integrated logistics services of high quality and flexibility. All employees within the ColliCare Logistics Group will contribute to this through focus on continuously improvements and a custom driven and process-based approach.
